Projects

GlobGliders - Travel Sites [Live Demo Link](#) [Github Repo Link](#)

HTML5 Sass JavaScript Responsive Web Design

- Developed a comprehensive travel website and application with a user-friendly interface and dynamic navigation system.
- Implemented search functionality for destinations, activities, and packages using HTML5, Sass, and JavaScript.
- Ensured the website is accessible on all devices by implementing responsive web design techniques.
- Led the creation of the 'About Us' page, which included the navigation bar, body content, and footer.

TimeClone.com [Live Demo Link](#) [Github Repo Link](#)

HTML5 CSS3 Responsive Web Design Bootstrap

- Developed an online news application with a focus on user interface design.
- Categorized news into topics like world news, sports, technology, and entertainment.
- Showcased recent articles prominently on the homepage.
- Incorporated images, videos, and audio clips to enrich news content.
- Contributed to the creation of the footer and body sections of the project.

Experience

Winzera Pvt Ltd | Development and Lead Developer March 2021 - August 2022

- Managed a development team, providing training and guidance to increase productivity.
- Generated leads and achieved a turnover of 30 lakh with the team.
- Provided remote support to facilitate team growth and performance.
